## GEORGE, R.

OUR Will and Pleasure is, that no Payment be made on any the foregoing Pensions, or any Pensions we shall be pleased hereafter to grant payable out of our Revenue of our Kingdom of Ireland, unless the Person unto whom the same is granted do actually reside within our said Kingdom, or be absent from thence by the Leave and Licence of us or of our Lieutenant, Deputy or other Chief Governor or Governors of our said Kingdom for the Time being; and unless such Pensioner when each Payment of his or her Pension shall be made do personally appear before our Vice-Treasurer of that our Kingdom or his Deputy, or that there be delivered unto him an authentic Certificate of such Pensioners being alive, and where residing when the said Payment became due, to be filed in the Office of our Treasury there. And whereas it may so happen, that some of the said Pensioners are now dead, by Reason whereof their Pensions ought immediately to cease, Our Will and Pleasure is that such Payment do thereupon cease, as well as in all such like Cases which may hereafter happen notwithstanding their being inserted in this our Establishment. And in order to ease as much as may be the Charge of such of the said foregoing Pensions as are under the Head of Charities, and to prevent their assigning and transferring the same, from whence many unreasonable Applications do ensue, as well to discover the Circumstances and Qualifications of the Persons enjoying the same, Our Will and Pleasure is, that our Chief Governor and Governors of our said Kingdom for the Time being, shall from Time to Time cause strict Enquiries to be made therein, and where it shall appear that they have Estates or Employments sufficient to maintain themselves and Families without the Assistance of such Pensions, or that they have assigned or transferred the same, in every such Case the said Pensions shall cease and determine; and in order to the more easy and speedy discovery thereof, together with the Certificate abovementioned of their being alive, and of the Place of their Abode, there shall at each Payment be produced to our Vice-Treasurer or his Deputy, a voluntary Oath, taken severally by the said Pensioners to that Effect, before any of our Magistrates lawfully authorized to administer the same; as also that they are the real Persons to whom the said Pensions were first granted.
